

New Shipper Application Package

Hello,

Thank you for your interest in becoming a shipper with Andeavor Logistics.

To begin the process, we need to collect some information from you. At your earliest convenience, please complete and return the following forms:

1. New Shipper Information Form (below) – Return to the Shipper Support Manager
2. Logistics Credit Application (available on website) – Return to the Credit Manager

Once approved as a shipper you will receive additional information on the nomination and scheduling process, as well as the line fill requirements associated with the first month's nomination.

While we are reviewing your form you will find a wealth of information available on our website, including:

- Asset map: www.andeavorlogistics.com/operations-services/asset-map/
