* The applicable volume tier is determined based on the least of the Shipper's nomination, adjusted nomination or tender of uncommitted volumes for a Month, divided by the number of days in such Month

** For a Shipper that has executed an acreage dedication agreement (or equivalent) for service on Carrier’s pipeline, the applicable volume tier is determined based on the least of the Shipper's nomination, adjusted nomination or tender of uncommitted volumes for a Month, divided by the number of days in such Month

[N] ¹Cumulative Step Down Rate 1 is for Shippers that have transported a total of 191,600,001-320,00,000 Cumulative Barrels in the first seven years of service to that shipper. This rate will be charged at the Shipper's request after the transportation of its 191,600,000th barrel of crude petroleum from the date the shipper began shipping on the pipeline.

[N] ²Cumulative Step Down Rate 2 is for Shippers that have transported a total number of barrels that exceeds 320,000,000 Cumulative Barrels in the first seven years of service to that shipper. This rate will be charged at the Shipper's request after the transportation of its 320,000,000th barrel of crude petroleum from the date the shipper began shipping on the pipeline.

GATHERING CHARGES: The rates named herein are for trunk line transportation only, and no gathering service will be performed under this tariff.

The Carrier may impose the quality specifications of a connecting carrier or destination terminal, if the specifications for such facility are more restrictive than those established by the Carrier.
